What about Cell Phone Reception in Greer?

- AT&T, T-Mobile and Cellular One all work well in Greer, because they share a cell tower located at the Greer Community Center in the middle of town.
- Verizon does not have a cell tower in Greer, but they do have one in the area. Because of the mountains surrounding Greer, which block the cell phone signals, Verizon cell phones do not have very good coverage. They do have sporadic coverage. Your Verizon cell phone will pick up a few reception bars here and there.
- Sprint cell phones do not get much reception in Greer.

Pay Telephones are located throughout the Greer Lodge Resort, as follows:

- Outside the entrance to the Check-in Facility (Front Desk): 45 Main Street.
- Outside the entrance to the Historic Greer Lodge building: 44 Main Street.
- Outside the entrance to Cabin #15 / #28 at the Red Setter Property: 8 Main Street.
- Outside Cabin #70, at 27A Main Street.
